SSSSSSSS!

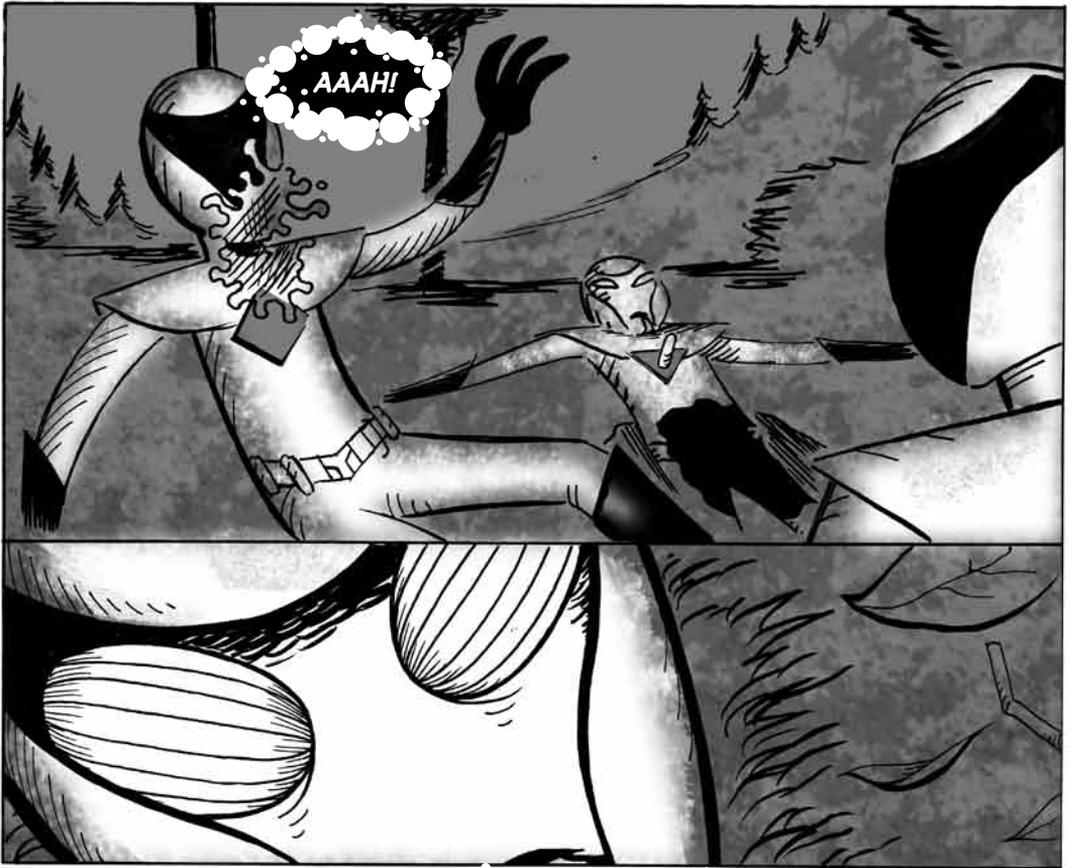

Get his
faceplate off,
HURRY!

Is he
breathing?

HUUACCKK!

Looks like.

UUUNNHHH!

We need to go.

What?

We can't take him with us.

What are you talking about?!

Look at him.

We can't just
LEAVE him here!

They're
coming!

If you want to
go, go.

I don't
care.
